

Brooke Costin

Winthrop, MA | 617-899-2026 | Brookecostin18@gmail.com |

EDUCATION

University of Rhode Island

*Bachelor of Science in Biomedical Engineering
Minor in Mathematics*

South Kingston, RI

Graduated: May 2025

RELEVANT COURSES AND SKILL

Digital Circuits Design | Linear Circuit Theory | Biomeasurements | Biomedical Instrumentation Design | Bioelectricity | Biomedical Instrumentation Design Lab | Linear Systems and Signals

Skills:

MATLAB | SolidWorks | Oscilloscope | Soldering | Python | C++ | HTML & CSS | Excel |

RELEVANT LAB EXPERIENCE

InSOLE 3D Printed Project | Biomedical Engineering Capstone Design

- Developed a 3D-printed capacitive sensing insole for high-level athletes using Shapr3D, Python, and Arduino to enable real-time data collection and analysis, optimizing performance monitoring for athletic injury prevention.

Assembling an ECG Lab | Biomeasurements Laboratory

- Constructing and experimenting with embedded systems utilizing microcontrollers, assembly, and C languages. This involves building an electrocardiogram (ECG) amplifier, configuring timers and interrupts for embedded signal processing, and implementing QRS detection and a heart rate meter.

Digital Design 3D Printing Project | Biomedical Engineering

- Designed a Lego man which included eight individual parts in SolidWorks and learned to use a 3D printer effectively to assemble our parts.

EXPERIENCE

Department of Biological Sciences

2023-2024

Teaching Assistant Anatomy and Physiology II

- Facilitated learning of advanced human body systems, including cardiovascular, respiratory, and endocrine systems.
- Experienced in instructing students, offering academic support, and contributing to course content development.

Department of Biological Sciences

2023-2024

Laboratory Assistant

- Maintained laboratory equipment and prepared wet labs for upcoming dissections. Collaborated well with peers in laboratory settings.
- Adept in specimen preparation, safety protocols, and equipment maintenance.

Volunteering at Commonwealth Clinical Services

2020-2021

- Organized Charts and documents at a family medicine clinic. Helped keep the daily schedule on time and efficient.

WORK EXPERIENCE

Belle Isle Seafood | Winthrop MA 2017–Present Waitress

- Demonstrated strong time management skills by balancing 40+ hours of work and summer classes.
- Demonstrate strong demonstration and customer service skills when interacting with patrons.
- Displayed organization skills while helping the owner order supplies daily to keep the restaurant stocked for the next day.
